City Manager Poczobut brought forward request to rescind prior approval of "City Hall, Library and Public Works Building HVAC Replacement Project" contract to Greg's Heating and A/C. City Manager Poczobut explained after reviewing Government Code Section 1090, Councilmember Olney's financial interest in the contract would present a conflict of interest even though the contract was awarded after he left the City Council. City Manager Poczobut advised Mr. Olney's position with his employer, Greg's Heating and A/C, would therefore void any award of the contract. City Manager Poczobut stated steps have been made to avoid this error in the future. Byron Denton, 127 Tanner Way, asked what changes were made. City Manager Poczobut affirmed steps were taken to correct error.

Councilmember Elliott moved, seconded by Councilmember Roundy to rescind prior approval of the City Hall, Library and Public Works Building HVAC replacement project contract to Greg's Heating and A/C. Motion carried with no abstentions.

Greg Wickert, 4438 County Road M1/2, stated the Council should consider going out for rebid and start over since there was such a difference in the spread of bids. City Manager Poczobut advised local contractor Air Rite would not be able to bid the project since they assisted with figuring costs for the grant project. Vice Mayor Elliott stated the City should consider rebidding the project. Councilmember Roundy agreed the difference in bids did catch his attention and hoped some local contractors could rebid the job.

Councilmember Hoffman moved, seconded by Councilmember Gee to rebid the HVAC replacement project. Motion carried with no abstentions.

City Manager Poczobut brought forward request to consider changing the day of regularly scheduled Council meetings. Vice Mayor Elliott advised the issue has been brought up in the past and felt it should be reconsidered. Vice Mayor Elliott advised the cities of Anderson, Chico, Willows and Corning all meet on Tuesdays. Judie Noffsinger, 4261 County Road MM, advised Council should keep the City Council meetings on the first and third Mondays
