4. Oral and Written Communications

(Citizen Business was discussed after minutes were approved)

A. Citizen Business:

Brian Hamilton, 4560 HWY 99, expressed his concerns about the potential fencing along the canal on the north end of Third, Fourth and Fifth Street. He recommends that the canal be covered instead. Mr. Hamilton also voiced his concerns about the homeless people squatting near the creek just outside of the city limits on HWY 99.

Faye Siemens, 106 Fourth Street, expressed her concerns surrounding the safety of the canal as well. Mrs. Siemens believed the fencing that is planned to be installed will be ineffective as the fence will be segmented instead of continuous.

5. Consent Calendar

(Citizen Business was discussed after minutes were approved)

6. PUBLIC SAFETY

A. Update on Speed Humps

Speed humps have been installed on Eighth Street. Chairperson Denton reported that the speed humps were working well. Orland resident Marjorie Palmer, 716 Shasta Street, stated that the humps are working well and has caused drivers to reduce their speeds. She recommends that they be installed on any street in town that is experiencing high volume of speeding vehicles.

7. PUBLIC WORKS

A. Update on Solar Projects

Public Works Director Vonasek reported that the solar panels at the Recreation Center, City Hall and the Fire Department are officially online. The panels at the Sewer Ponds are connected but not currently functioning. The remainder of the solar projects will soon be underway.

B. Update on Sewer Ponds

Public Works Director Vonasek reported that the blue frog devices are working well. A sludge measurement will be taking place at the end of the month.

C. Discussion Regarding Lack of Drainage at 422 Fourth Street

Tor Norraas, 422 Fourth Street, brought to the attention of commissioners an issue he has in the gutter located in front of his house. Public Works Director explained how water drainage occurs in the city limits and how the number of vehicles parked on that street may impede on proper draining. To make the necessary corrections Public Works Director Vonasek reported that the street would need to be torn up completely.

Upon motion made by Commissioner Butler and seconded by Commissioner Saint-Evens, recommend City Council review and direct staff on matter. Motion carried. 6-0-0 Ayes: Commissioners Saint-Evens, Rossman, Cavagnolo, Butler, Boehm and Denton; Noes: None; Absent: None.

D. Update on Eva Drive Well

(This item was requested to be added to the agenda by Chairperson Denton during the meeting)

Public Works Director Vonasek reported that Eva Drive Well will be the first to be set up to SCADA. The SCADA computer will be installed at City Hall within the next few days.
