To the Community We Serve:

The City of Orland remains committed to operating its independent Police Department, with over 100 years of pride and excellence.

Our current budget and service model for law enforcement is sustainable.

Our City has many exciting plans for one, five and 20 years out. All our plans include continuing the Orland Police Department. While we hope to add positions in the future for detective, drug task force and school resource officer, we are fully funded for all leadership and patrol officer positions.

We will continue to work cooperatively with other County and regional agencies as an effective "mutual aid" partner.
